

UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF OHIO

YABACUSHYANEI BENNETT,)	CASE NO. 5:14 CV 2727
Plaintiff,)	JUDGE JOHN R. ADAMS
v.)	
STATE OF OHIO I.R.S. SERVICE, et al.,)	<u>MEMORANDUM OF OPINION</u>
Defendants.)	<u>AND ORDER</u>

On December 15, 2014, Plaintiff *pro se* Yabcushyanei Bennett filed this 42 U.S.C. § 1983 action against the “State of Ohio I.R.S. Service” and Attorney Anthony Veigh. His extensive complaint essentially seeks to challenge his conviction in this Court, pursuant to a guilty plea, for: 1) Conspiracy to Conduct an Illegal Gambling Business; and, 2) Conspiracy to Commit the Laundering of Monetary Instruments. *United States v. Bennett*, Case No. 5:14 CR 119-01.

Under Federal Rule of Civil Procedure 8(a)(2), a pleading must contain a “short and plain statement of the claim showing that the pleader is entitled to relief.” *Ashcroft v. Iqbal*, 556 U.S. 662, 678 (2009). The pleading standard Rule 8 announces does not require “detailed factual allegations,” but it demands more than an unadorned, the-defendant-unlawfully-harmed-me accusation. *Id.* A pleading that offers “labels and conclusions” or “a formulaic recitation of the elements of a cause of action will not do.” *Id.* Nor does a complaint suffice if it tenders naked assertion devoid of further factual enhancement. *Id.* It must contain sufficient factual matter, accepted as true, to “state a claim to relief that is plausible on its face.” *Id.* A claim has facial plausibility when the plaintiff pleads factual content that allows the court to draw the reasonable

inference that the defendant is liable for the misconduct alleged. *Id.* The plausibility standard is not akin to a “probability requirement,” but it asks for more than a sheer possibility that a defendant has acted unlawfully. *Id.* Where a complaint pleads facts that are “merely consistent with” a defendant’s liability, it “stops short of the line between possibility and plausibility of ‘entitlement to relief.’ ” *Id.*

A plaintiff may not raise claims in a civil rights action if a judgment on the merits of those claims would affect the validity of his conviction or sentence, unless the conviction or sentence has been set aside. *See Edwards v. Balisok*, 520 U.S. 641, 646 (1997); *Heck v. Humphrey*, 512 U.S. 477, 486 (1994). The holding in *Heck* applies whether the plaintiff seeks injunctive, declaratory or monetary relief. *Wilson v. Kinkela*, No. 97-4035, 1998 WL 246401 at *1 (6th Cir. May 5, 1998). Plaintiff seeks to raise claims which, if found to have merit, would call into question the validity of his convictions. Such a challenge must be raised, if at all, by a motion pursuant to 28 U.S.C. § 2255.

Thus, even liberally construed, the Complaint does not contain allegations reasonably suggesting Plaintiff might have a valid claim, and the Court finds this case is appropriately subject to summary dismissal. *See, Apple v. Glenn*, 183 F.3d 477, 479 (6th Cir. 1999)(complaint may be summarily dismissed when claim is not arguably plausible).

Accordingly, this action is dismissed.

IT IS SO ORDERED.

Date: March 2, 2015
